# ATTENDEES

## Paula Wilson

*Director of Industry Engagement, PERC*

Paula Wilson is Director of Industry Engagement for the Propane Education & Research Council, responsible for the development and execution of strategic programs that drive engagement with propane marketers and state associations across the country. She has a passion for working with marketers to ensure they are informed on PERC's programs and resources, and how to best implement them in their company to grow gallons and uses for propane.

Paula is a seasoned executive with more than 30 years of industry and marketing experience. Paula served as director of marketing, and on the leadership team with AmeriGas Propane in Valley Forge, PA, where she was responsible for branding, marketing, and delivering profitable customer growth and retention performance. Paula also served on the NPGA Board of Directors, the PERC Advisory committee, and was elected chairwoman of the Propane Education & Research Council from 2013-2015.

Paula holds an MBA in marketing and a Bachelor of Science in education.

## Andrea Pavon

*Senior Manager, ACE Services*

Andrea Pavon, Senior Manager for ACE Services, has worked with NPGA since 2021. Her initial role within the association was in the Membership Department until she began managing the ACE Services Program from its inception in February of 2022. Since then, the program has seen 2,300 enrollments. Andrea's role now focuses on promoting ACE while still maintaining oversight of the program.

## Dwain Beydler

*Managing Principal, EV Power Pods*

Dwain Beydler is a founder and Managing Principal of EV Power Pods. Mr. Beydler provides over 35 years of practice in the area of business, manufacturing, market research, and project management. With over 10 years of focused experience in the alternative fuels industry and the developing EV infrastructure industry, Mr. Beydler's expertise provides analysis and insight in the areas of strategic business analysis and planning, strategic collaborations, program development and administration, process analysis, resource planning and business development. His breadth of the experience includes executive leadership in both the for-profit business and non-profit public organizations, both secondary and higher education, and numerous national, regional and local boards.

Mr. Beydler has a Master's degree in Business Administration (MBA) from the University of Memphis, a Master's degree in Education Administration from Bob Jones University, and a Bachelor's degree in Education from Bob Jones University in Greenville, South Carolina.
