Virginia Council of Nurse Practitioners *Nurse Practitioners: Partners for a Healthier Tomorrow*

Dear Nurse Practitioner Colleagues and Students,

Welcome to the Virginia Council of Nurse Practitioners 2017 Conference. The VCNP is proud to sponsor an annual conference that benefits Nurse Practitioners across the State of Virginia. The goal in hosting this conference is to provide a high level quality program for nurse practitioners to enhance and expand his or her clinical knowledge by offering relevant presentations. We are pleased to offer VCNP members a discounted rate to the conference. As always, we welcome nonmembers and nurse practitioners from neighboring states. The VCNP Conference provides a number of pharm and non-pharm credits for attendees in a number of professional tracts as well as general and specialty workshops offered to further enhance the skills of the nurse practitioner.

The VCNP 2017 Conference has been planned by the VCNP Conference Committee, Chaired by Denise, Chernitzer. Along with Denise the Conference Committee consists of representation from all of the VCNP regions. We offer a variety of education tracts to include Acute Care, Women's Health, Mental Health, Pediatrics, and Primary Care. Many of our presenters are state and nationally recognized speakers. Attendees may overlap courses from various tracts. We encourage attendees to register early to reserve their desired sessions.

We look forward to the Peninsula Region hosting the VCNP Conference in Williamsburg for the 2017 Conference. Join us in Williamsburg and take advantage of the many activities and sights that the area has to offer. We welcome all APRNs across the state to attend. We look forward to seeing you there!

Sincerely,

Christine Daley, MSN, ANP
President, Virginia Council of Nurse Practitioners

The VCNP Mission

To facilitate the advancement and foster the professional growth of nurse practitioners, and to advocate for the improvement of health and access to care for all Virginians.

Bring Your Checkbook to the Conference!

All 2017 conference attendees will have an opportunity to donate to the VCNP Political Action Committee (PAC) during the lunch session on Friday. PAC contributions will be distributed to legislators who are supportive of VCNP issues such as Full Practice Authority and who sit on committees that hear legislation pertaining to NP practice. All contributions to legislators are made on a bipartisan basis. Help us continue to build relationships with our elected officials. Help us get our message out!

Donations to the VCNP PAC are not tax deductible.

Annual Raffle Scheduled!

VCNP will have its Annual Raffle to benefit the NP Scholarship Fund with each region providing a special basket!

2017 Annual Conference

Virginia Council of Nurse Practitioners (VCNP) invites you to attend the 2017 Annual Conference at the Williamsburg Lodge in Williamsburg, Virginia. VCNP is continuing to offer Online conference registration, online session evaluations, and an attendee portal that will allow attendees to access speaker presentations online before and after the conference.

This year's program will feature several general sessions, concurrent specialty interest sessions, optional pre-conference workshops, breakfast sessions, lunch sessions and the exhibit hall, featuring the latest information on patient products and services. Professional networking activities include the poster sessions, opening reception and the Annual Meeting with the VCNP Board, including a professional issues presentation.

Networking Opportunities

Take advantage of opportunities to extend learning beyond the classroom by spending time with colleagues to exchange ideas, ask questions and share your knowledge during the continental breakfasts and breaks. Be sure to visit the exhibit hall to learn about the latest industry products and services. Join us on Wednesday for the Opening Reception at 7:00 p.m. and attend the Annual Meeting with the Board during the lunch session on Friday for more VCNP updates from the organization's leaders.

Contact Hours

Virginia Council of Nurse Practitioners is an approved provider of continuing nursing education by the Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Conference participants will have the opportunity to earn up to **21 contact hours** based on attendance of a pre-conference workshop and the entire conference.

MAKE YOUR HOTEL RESERVATIONS NOW!

Single / Double occupancy group rate is \$134/night

plus state and local taxes and applicable hotel fees

Reservations must be made directly with the Williamsburg Lodge, NOT VCNP Headquarters.

Visit the VCNP website at www.vcnp.net and look for the 2017 conference information under the "Events" heading. Under the conference links you can make your online booking with the Williamsburg Lodge.

Visit: <https://resweb.passkey.com/go/32420>

Group room rates are available until February 7, 2017 or until the room block fills up, whichever comes first.

Make Your Reservations Early. The Room Block Fills Quickly!

VCNP 2017 ANNUAL CONFERENCE

Program

Pre-conference workshops are offered to provide opportunities to enhance clinical skills and/or knowledge. These workshops are 3.5 hours in duration and are structured in a didactic format; sessions may include interactive discussion, case studies and/or hands-on opportunities. Workshops will have a limited number of participants.

11:00 a.m. - 4:00 p.m. **Conference Registration**

Pre-Conference Workshops

12:30 p.m.- 4:30 p.m.

Workshop#1 (3.5 Non-Pharmacology credits, 0 Pharmacology credit)
Neurology Through the Ages: From Autism to Alzheimer's
Barb Bancroft, RN, MSN, PNP

Workshop#2 (3.5 Non-Pharmacology credits, 0 Pharmacology credits)
Orthopedic Evaluation for the Primary Care Provider
Shannon Nicholson, DNP, FNP-BC
Review orthopedic examinations of upper and lower body conditions in the adult and pediatric patient.

Workshop#3 (3.5 Non-Pharmacology credits, 0 Pharmacology credits)
Skills Workshop: Basic Suturing, Incision, and Drainage and Nail Resection, Removal, and Repair
Rosie Taylor-Lewis, DNP, ANP-BC, GNP
Designed to provide APRNs skills in basic suturing, incision and drainage, and nail repair. This interactive workshop will use lecture, simulation and skill stations.

Workshop#4 (3.5 Non-Pharmacology credits, 0 Pharmacology credit)
Introductory Sexual Health Training for Medical Professionals
Sarah Kleintop, MEd/Tammy Maloney, DNP, FNP/Rebekah Rollston, MPH
An introductory workshop designed to help medical professionals learn the information and skills for addressing patients' sexual health-related concerns. Provides information about the current state of medical education, and includes a segment on sexual violence. Participants will examine their attitudes toward their own sexuality and the sexuality of others, and engage in interactive role play activities to learn sexual history taking, and building rapport.

Workshop #5 (0 Non-Pharmacology credit, 0 Pharmacology credit)
VCNP 101: New Leader Orientation
Chris Daley, RN, MSN, FNP-C, Maribeth Capuno, RN MSN, ANP-BC
The VCNP Board of Directors invites anyone interested in becoming more involved at the local or state level to attend VCNP 101 for the purpose of introductions and orientation of new leadership to the organization. This workshop does not offer CE credits.

5:00 p.m.- 7:00 p.m. **Board of Directors Meeting and Dinner**

7:00 p.m.- 9:00 p.m. **Opening Reception/Exhibit Hall/Grand Rounds Poster Sessions**

Thursday, March 9, 2017

7:00 a.m.- 5:30 p.m. **Conference Registration**

7:00 a.m.- 8:00 a.m. **Continental Breakfast/Exhibit Hall**

8:00 a.m.- 9:15 a.m. **Keynote Address:** (1.25 Non-Pharmacology credits, 0 Pharmacology credit)
Primary Care and Addiction
S. Hughes Melton, MD, MBA
Addiction is a chronic, relapsing disease similar to and as common as depression and diabetes. Modern science has significantly changed our understanding of the nature of the chronic brain disease of addiction. Primary care providers must operate off a current understanding of the disease in order to address it effectively in their daily practice

9:15 a.m.- 10:30 a.m. **General Session Antibiotic Stewardship** (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Conference participants will have the opportunity to earn up to 21 credits.

THURSDAY, MARCH 9, 2017 (CONTINUED)

Barb Bancroft, RN, MSN, PNP

10:30 a.m.- 11:00 a.m. **Beverage Break with Exhibitors**

11:00 a.m.- 12:15 p.m. Women's Health Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Pelvic Floor Dysfunction

Lynda C. Miller, RN, MSN, FNP-C, PMHNP-BC

Pediatric Tract

(1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Update on Congenital Heart Disease

Sara Hallowell, DNP, CPNP, RN

Update on current trends in congenital heart disease and current practice updates as it applies to the primary care provider. Brief review of congenital lesions, interventions and long term outcomes. Current trends in management will be reviewed.

Acute Care Tract

(1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Sudden Hearing Loss-Can You Hear Me Now?

Deena Hollingsworth, MSN, FNP-BC, CORLN

Sudden hearing loss can be an otologic emergency. This presentation will give the primary provider the knowledge to recognise the problem , initiate treatment and make proper referral to a specialist in order to provide the best chance for recovery of hearing.

Generalist Tract

(1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Orthopedic Consequence of Non-Orthopedic Conditions

Shannon Nicholson, DNP, FNP-BC

A review of the orthopedic manifestations of endocrine, gastroenterology and autoimmune conditions

Mental Health Tract

(1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Biology and Psychology of Substance Use Disorder (SUD)

Linda Hancock, FNP, PhD

Substance Use Disorder takes an enormous toll on the lives our patients and their families. The 2016 Surgeon General's Report calls on all medical providers to improve their skills in dealing with SUD. This session will provide a research based framework for understanding all drugs including alcohol and nicotine. Learn to asses who is most at risk and how to intervene effectively in your daily clinical practice. This should be an eye opening and conversation starting session.

12:30 p.m.- 2:00 p.m. **Non-CME Lunch Symposium Sponsored by Janssen Pharmaceuticals, Inc.**

2:00 p.m.- 2:30 p.m. **Beverage Break with Exhibitors**

2:30 p.m.- 3:45 p.m. General Session (1.25 Non-Pharmacology credit, 0 Pharmacology credits)

Genetics and Primary Care: Where Are We Headed?

Holly Buchanan, DNP, ANP-BC

The field of translational medicine is growing and genetic/genomic technologies are far-outpacing practice guidelines. This presentation explores the convergence of the expansion of clinical informatics and integration of translational genomics, and highlights several applications where these forces can help patients avoid potentially preventable events.

4:00 p.m.- 5:15 p.m. Women's Health Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Inflammation: A New Way to Find the Fire and Put it Out

Heidi Wilson, FNP-BC

Inflammation can be at the root of multiple disease states including migraine HA, IBS, joint pain and cognitive impairment. We will explore one way that systems can become inflamed and how to help put out the fire without medication. New, cutting edge diagnostics will be discussed.

Pediatric Tract

(1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Sleep Disordered Breathing in Young Children

Beth Hopkins, DNP, FNP-C

Early recognition of obstructive sleep apnea in children is paramount. The physical, emotional, cognitive and psychosocial consequences of untreated sleep disturbance impacts nearly ever aspect of their life and leads to avoidable morbidities with life-long consequences.

Acute Care Tract

(1 Non-Pharmacology credit, 0.25 Pharmacology credits)

Sepsis 2017: New Guidelines

Mary Duggan, MS, ACNP-BC, CCRN, FAANP

This session will examine the newest definitions and guidelines for sepsis management. Using a case study, current diagnostic criteria and evidence-based management consistent with the updated surviving sepsis campaign will be presented.

CONCURRENT BREAKOUT SESSIONS

Conference participants will have the opportunity to earn up to 21 credits.

THURSDAY, MARCH 9, 2017 (CONTINUED)

Generalist Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Cardiac Stress Testing: Essentials for the PCP and The Primary Care PreOperative Cardiac Evaluation

Kelly Andersonn, PhD, FNP

Cardiac Stress Testing and the Preoperative Cardiac Evaluation: Essentials for the Primary Care Provider

Mental Health Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

PTSD for the Non-Psychiatric Provider

Elizabeth Wheatley, DNP, FNP-C, P.m.HNP-BC

Trauma sequela impacts care across all specialties. Overview of trauma, symptoms, and coping/helping strategies. Guideline supported medication principals will be reviewed for provider understanding contributing to care continuity. Principles to decrease retraumatization.

5:30 p.m. - 7:00 p.m. Topics in Professionalism (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

DNP Panel - Diabetic Practice Experiences

Olivia Newby, DNP, FNPBC, CDE

There is an enormous number of people struggling unsuccessfully with Type 2 diabetes. This panel discussion will review different care models that can offer successful care to the Type 2 diabetes patient.

7:00 p.m. - 8:00 p.m. **Government Relations Dinner**

7:30 p.m.- 8:30 p.m. **Sponsored Non-CME Dinner Symposiums**

Friday, March 10, 2017

7:00 a.m.- 5:00 p.m. **Conference Registration**

7:00 a.m.- 8:00 a.m. **Continental Breakfast with Exhibitors**

8:00 a.m.- 9:30 a.m. Leslie Roher Herdigan Memorial Lecture: (1.5 Non-Pharmacology credits, 0 Pharmacology credit)

Full Practice Authority

Sue Kendig, MSN, JD, WHNP

This presentation will provide background information on Full Practice Authority and review the progress of Virginia's Full Practice Authority efforts.

9:45 a.m.- 10:45 a.m. General Session (1 Non-Pharmacology credit, 0 Pharmacology credit)

Leveraging Your Own Leadership Skills to Influence Policy

Shelly Smith, DNP, APRN-BC

Today's healthcare landscape that is ripe for change. APRNs feel powerless to influence policy regarding their own scope. This presentation will help APRNs leverage their own leadership skills to influence policy.

10:45 a.m.- 11:45 a.m. **Final Beverage Break with Exhibitors**

11:45 a.m.- 1:00 p.m. **Membership Luncheon, Awards Ceremony, and Regional Baskets Raffle**

1:00 p.m.- 2:00 p.m. Professional Issues Session (1 Non-Pharmacology credit, 0 Pharmacology credit)

NP Moral Distress: The Spark that Ignites Burnout

Dawn Bourne, DNP, FNP-C, 2015 VCNP DNP Scholarship Winner

This presentation will examine ethical dilemmas in the primary care setting which can cause burnout in primary care providers. Both causes of moral distress and proposed interventions for those in the primary care environment will be presented.

2:00 p.m.- 2:15 p.m. **Break**

2:15 p.m.- 3:30 p.m. Women's Health Tract (0.75 Non-Pharmacology credits, 0.5 Pharmacology credit)

BRCA Mutations: Assessment of Breast Cancer Risk Then and Now

Phyllis Everett, MSN, RN, AOCN, APNG, NP-C

Assessment of hereditary breast cancer risk in primary care/women's health. Importance of thorough family history assessment. Tests available in the community setting.

Pediatric Tract (0.75 Non-pharmacology credit, .5 Pharmacology credit)

Vaccine Update

Susan Catchings, MD

This presentation will offer a review of the vaccination schedule for newborn through college age. It will provide an overview of new vaccines including meningococcal and a Zika vaccine update.

Acute Care Tract (1.25 Non-Pharmacology credit, 0 Pharmacology credits)
Help! My Patient's Blood Pressure is Still too High!

Helen-Marie Molnar, ACNP-BC, FNP-BC

Most patients have essential hypertension, but some have secondary hypertension that is unrecognized and untreated leading to significant end organ damage. Nurse practitioners must be able to identify patients with possible secondary hypertension and either refer appropriately or diagnose and treat it themselves depending on their practice setting.

Generalist Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Inflammatory Bowel Disease: Update for Primary Care

Wendy Biddle, PhD, MSN, FNP-BC

Review of Ulcerative colitis and Crohn's disease, current research on cause, diagnosis, treatments. focus is on primary care role and understanding needed collaboration with the GI specialist.

Mental Health Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Transcranial Magnetic Stimulation

William Sauve, MD

This course will offer a review of what TMS is, its history, its application, and patient identification.

3:45 p.m.- 5:00 p.m. Women's Health Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credits)

Zika: New Information on an Old Disease

Shivanjali Shankaran, MD

Will offer a review of the current information available on the Zika virus, with particular focus on the neurological effects. The course will also explain how to prevent the spread of the Zika virus.

Pediatric Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Oral Health Update

Loretta Vece, DNP, FNP-BC

This presentation will explain the oral to systemic link for pediatrics, diabetics, and adults with chronic illness; teach easily implemented evidence-based interventions tailored to primary care; and share resources and patient teaching materials.

Acute Care Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Heart Failure (rEF) and pEF) Putting Guidelines into Practice

Clifford Pyne, ACNP-BC

Review of epidemiology and pathophysiology of rEF and pEF. Review of AHA and ACC guidelines, discussion of application of the guidelines in clinical practice. Review of medications as well as new medication recently added to guidelines.

Generalist Tract (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

GERD: Update on Diagnosis Management and Long-Term Issues

Wendy Biddle, PhD, MSN, FNP-BC

Current research update on Reflux, atypical presentations, possible complications and risk of esophageal cancer, discussion of controversies with PPI therapy and current guidelines, including screening for Barrett's esophagus and esophageal cancer.

Breakout Session 5 (Mental Health) (0.5 Non-Pharmacology credits, 0.75 Pharmacology credits)

Medical Management of Eating Disorders for the PC Provider

Courtney Salaway, RN, MSN, FNP-BC/ Maria Portilla, MD

This presentation will cover the definitions and epidemiology of eating disorders, how to take a history, pertinent physical exam findings, laboratory studies, medical manifestations and treatment.

5:30 p.m.- 6:30 p.m. **Sponsored Non-CME Dinner Symposiums**

7:00 p.m.- 8:30 p.m. Documentary Screening

The Invisible Patients: Life at the Edges of the Healthcare System

A film that follows a nurse practitioner living and practicing independently in rural Indiana and tells the tales of her patients' struggles.

Saturday, March 11, 2017

7:00 a.m.- 8:30 a.m. **Conference Registration**

7:00 a.m.- 8:00 a.m. **Continental Breakfast**

8:00 a.m.-10:30 a.m. General Session (0 Non-Pharmacology credits, 2.5 Pharmacology credit)

Pharmacology Update

Mark Johnson, MD

New FDA-approved drugs approved over the last year for use in general practice will be presented in case-based format. Comparisons will be made to existing drugs in determining their place in therapy.

10:30 a.m.- 10:45 a.m. **Break**

10:45 a.m.-12:00 p.m. **General Session** (1.25 Non-Pharmacology credits, 0 Pharmacology credit)

Top 10 Ocular Diagnosis You Don't Want to Miss

Walter Whitley, MD

This course will review the top ten diagnosis that you DO NOT want to miss. From the patient symptoms to the clinical signs, the failure to identify these conditions could be catastrophic for the patient. Attendees will learn clinical pearls to identify and appropriately diagnose, treat and manage the patient.

Important Conference Details!

The meeting presentations will be available for you to print prior to the conference if received by the faculty presenter. We encourage you to print out all of the materials from the conference as internet access will not be available in the meeting rooms. In addition, conference registration and session evaluations will be available online at **www.vcnp.net** to save you time and effort.

Needs Assessment/Objectives

The Virginia Council of Nurse Practitioners (VCNP) is a non-profit 501(c)6 organization with nearly 1,800 members. The organizational mission is to facilitate the advancement of the nurse practitioner (NP) profession, enhance continuing professional development through local meetings and the state conference. VCNP leadership promotes political advocacy to influence state and national health policy. The objectives of the VCNP Annual Conference are to provide an educational curriculum and enhance the knowledge and skills of NP's in varied practice roles. The conference also offers collegial networking opportunities, emerging trends in practice management and highlights political issues affecting NP roles and practice. VCNP is committed to providing education for NP's. Educational needs are identified through surveys, practice pattern analysis, previous contact hours activity evaluations, current practice issues and emerging technology. The conference curriculum is developed by the conference planning committee comprised of 11 NP representatives from the regions, the VCNP President, President-Elect and the Conference Chair. It is anticipated that over 500 NPs will be in attendance at the 2017 Annual Conference held at the Williamsburg Lodge, March 8-11, 2017. The Virginia Council of Nurse Practitioners is an approved provider of continuing nursing education by the Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Contact hours and Pharmacology hours will be available at this conference. Conference participants will have the opportunity to earn up to **21 contact hours** based on the Preconference Workshops. Accessing educational grant monies and industry support is critical to the organization's ability to continue to offer a superior and affordable educational program for NP's throughout the state of Virginia. Educational grant monies help make possible a quality educational program enhancing NP knowledge and skills, which promote improved patient care and health outcomes.

Comments from Last Year's VCNP Annual Conference

"Overall this was a valuable educational opportunity"

•••

"This was one of the best conferences I have attended in the past several years."

•••

"The speakers were bright, engaging, and presented relevant and up to date clinical information."

•••

"Just such a great conference year after year!"

•••

"The content of the sessions was diverse and applicable to all areas of my practice and interest."
