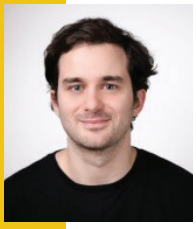
MEET THE SPEAKERS

Frank Gordon, VP of Strategic Development, BuildBlock Building Systems, LLC

Frank Gordon, Assoc. AIA, is the Vice-President of Strategic Development at BuildBlock Building Systems, LLC, an Oklahoma City, OK company. Frank oversees the sales, technical, and marketing teams to promote Insulating Concrete Forms (ICF) and Composite Concrete Flooring Systems (CCFS). Frank has over 37 years of experience in the architectural, construction, and facilities management industries. He previously served as Senior Director of Building Innovations with the NRMCA's "Build With Strength" campaign. As an accomplished architect and construction manager, Frank has worked on significant medical, retail, commercial, and institutional projects, including consulting on the nation's first Net-Zero school in Bowling Green, KY.



Giorgio Ponte, Customer Success Manager, Pathways

Giorgio leads customer success team at Pathways, where he helps ready-mix concrete producers collect data, build, verify, and publish Environmental Product Declarations. With a background in environmental science and experience in the construction industry, he is passionate about supporting manufacturers and making EPDs work within their daily operations..

Phil Kresge, Senior VP, Promotions Team Lead, NRMCA

Philip Kresge has been with the National Ready Mixed Concrete Association (NRMCA) since October 2004. As Senior Vice President - Promotion, Phil oversees a 9-member team of professional promoters that works with state, regional and local promotion partners to help deliver concrete solutions for buildings and pavements by supporting promotion, design and construction activities. He continues to work closely with the US GSA, Army Corps of Engineers and Naval Facilities Engineering Command (NAVFAC), as well as numerous commercial accounts and their consultants. Phil is well-versed in design and construction of conventional concrete pavement, pervious concrete, roller-compacted concrete and concrete overlays of existing asphalt pavement.

Prior to his appointment with NRMCA, Phil served as Executive Director for the Pennsylvania Concrete Promotion Council (PCPC). He has thirty-nine years of experience in the Ready Mixed Concrete Industry. Phil holds a bachelor's degree from Syracuse University. He currently sits on the Transportation Research Board's subcommittee on Paving Materials and the Urban Climate, and the Pennsylvania College of Technology Concrete Science Advisory Board.

Kirby Brown, Vice President of Communications & Public Relations, Old Dominion Electric Cooperative

Kirby Brown is Vice President of Communications and Public Relations at ODEC, where she has served since 2021. With more than 20 years of communications experience, she is committed to clear, transparent engagement that puts cooperative members first. Kirby served as a NCCO advisor for eight sessions, currently a member of the CREC Board and Vice President of the G&T Communicators Association.

Kirby previously served as Vice President of Member Services and Communications at Roanoke Electric Cooperative and has held senior roles with Fruit of the Loom, MeadWestvaco, and Hamilton Beach. She values the cooperative mission and enjoys serving member-owned organizations.
